8. The next time you log in to the KLIK website, you first log in with your e-mail address and password.

The image shows a login form with a light blue background. At the top, it says "E-mail:" followed by a white input field containing the text "E-mail". Below that, it says "Password:" followed by another white input field containing the text "Password". At the bottom of the form is a blue button with the text "Login" in white.

9. You will then be asked to enter the 6-digit verification code that you can find in the app.

The image shows a verification code input form. At the top, there is a blue header bar with the text "Enter your 6-digit verification code" in white. Below the header is a large, light gray input field containing a vertical line, representing a 6-digit code. At the bottom left of the form, there are two buttons: a blue "Log in" button and a "Log out" link.
